### PROFESSIONAL SUMMARY

Accomplished Full Stack Developer with 3.5+ years of experience in building and maintaining scalable web applications. Proficient in React.js, Node.js, Express.js, and MongoDB, with strong experience in developing RESTful APIs and responsive user interfaces. Skilled in both front-end and back-end development, delivering high-quality and performance-optimized solutions. Known for strong teamwork, problem-solving, and ownership. Seeking opportunities to contribute to a dynamic organization and grow as a full-stack developer.

### WORK EXPERIENCE

#### Big7 Solutions & Media Pvt Ltd, Puducherry

Full Stack Developer | Sep 2025 – Apr 2026

- Developed a **Project Management Tool** using Next.js, Supabase, and Vercel for tracking employee work reports and attendance.
- Implemented authentication, real-time data handling, and role-based access for admins and users.
- Built responsive dashboards and optimized performance for smooth user experience and faster load times.

#### Meyi Cloud Solution, Puducherry

Associate Software Engineer | Jan 2025 – Jul 2025

- Developed the **Plant365** management application using React.js and AWS for handling customer, order, and invoicing workflows
- Built interactive dashboards and integrated APIs to manage real-time business data and improve reporting efficiency
- Optimized performance and ensured scalable deployment using AWS services

#### Redblox Technologies, Puducherry

Junior Software Developer | Dec 2022 – Jan 2025

- Developed the **Spryntz** mobile app using React Native and Redux, enabling seamless food ordering and real-time tracking
- Built the **Producer Bazaar** web platform using React.js, Node.js, and MongoDB for product listing and marketplace functionality
- Designed reusable components, integrated REST APIs, and collaborated in Agile workflows using Git and Jira

#### TechEva IT Solution, Puducherry

Associate Web Developer (Intern) | Aug 2022 – Nov 2022

- Developed responsive and user-friendly UI for the **1300 Car Money** project using HTML, CSS, and Bootstrap.
- Assisted in API integration and implemented dynamic frontend features using JavaScript.
- Supported debugging, testing, and improved cross-browser compatibility to ensure consistent performance.

## TECHNICAL SKILLS
